

The Rainbow Society of Alberta

A Child. A Wish. A Dream Come True!

www.rainbowsociety.ab.ca

Dear friend,

Though we still find ourselves living and working amidst the ever-changing landscape of the global COVID 19 Pandemic, at The Rainbow Society we are staying cautiously optimistic about the year ahead.

As you know, Rainbow Society events require months of planning and preparation. The team here at the Society are excited to see many of the current restrictions being lifted and are working diligently to ensure we will have as many events as possible in 2022 to bring us all back together again.

While our mission has not changed, and we hope to fulfill as many wishes as possible in 2022, we will ensure we follow all government and health authority regulations to protect our wish families, our volunteers, donors, and our staff.

Our in-person fundraising events will continue to be planned with the understanding they may need to be modified or cancelled depending upon health and safety restrictions.

We look forward to seeing you all again soon!

The Rainbow Society of Alberta
